MEMORANDUM FOR: O/DCI & O/ΔΔCI

Per a call from Chris Andrews, Office of the Cabinet, the President's press conference at 2:00 today will be about the following:

He is establishing a private sector survey on cost control in the federal government. This commission will consist of outstanding experts from the private sector. They will be working with the Inspector General and the Council on Integrity and Efficiency. The emphasis will be placed on eliminating overlap, red-tape, and duplicating and identifying non-essential administrative activities and increasing management effectiveness. This evaluation will begin with DoD, H&HS, and HUD. And, in turn, the other agencies will follow. A fact sheet will be forthcoming.
